

Conference Publication Acceptance Letter

To:

Ramah Human Resources Research and Development Center in Jordan.

It's our great pleasure to inform you that your conference entitled "**The First International Conference of the College of Dentistry - Tikrit University: Horizons of Scientific Research and Modern Technologies**" has been accepted for publication in our Journal (**Bulletin of Stomatology and Maxillofacial Surgery, ISSN: 1829-006X**).

Please be advised that, send us the articles related to our journal scope.

Would be obliged if you let us know in case of any further query.

This letter of acceptance is considered as the official acceptance of your conference articles with no further amendments required.

Notes:

- All articles should be quality, within journal scope, on journal template, and plagiarism less than 15%.
- All articles will be published in English language.
- All submitted articles are subject to peer- review by the leading specialists for the respective topic.

We thank you for choosing our journal to disseminate your scientific contribution and look forward to your continued collaboration in future submissions.

With best regards,

Editor-in-Chief
